Education creates Possibilities

Education has life-changing power, and for the past 60 years The University of the West Indies has been changing people's lives throughout the Caribbean region.

Over the years, scholarships provided by personal contributors as well as business and industry, have profoundly impacted the lives of UWI students by assisting in their continued success and achievement of their higher education goals.

This year, The American Foundation for The University of the West Indies (AFUWI) is embarking on a Scholarship Donation campaign to raise 60 personal scholarship gifts to help support UWI students in the upcoming academic year 2007-2008. Here's where you have the power to make a difference.

“An investment in knowledge always pays the best interest.” - Benjamin Franklin

Change a Life

Your contribution of US\$2,500 will cover a Caribbean student's tuition for one year. Just think about it. Your donation may help a gifted young person from a home without means to be the first in his/her family to receive a university education.

Support the AFUWI Scholarship Donation campaign, and lend a hand in nurturing our next generation of Caribbean leaders. Your contribution says that you care, and that you believe in the potential and promise of the Caribbean's contribution to the rest of the world.
